a state of the art critical review of research into literature in language education of interest to teachers of English and of modern foreign languages there are prompts and principles for those who wish to improve their own practice or to engage in projects or research in this area the primary focus is on language of literature reading of literature literature as culture and literature in education

the continual rise of english as a global lingua franca has meant that english literature both as a discipline and as a tool in esl and efl classrooms is being used in varied ways outside the inner circle of english this edited collection provides an overview of english literature education in the asia pacific in global times bringing to international attention a rich understanding of the trends issues and challenges specific to nations within the asia pacific region comprising contributions from australia china hong kong india indonesia malaysia philippines singapore and vietnam the collection addresses the diversity of learners in different national cultural and teaching contexts in doing so it provides insights into historical and current trends in literature education foregrounds specific issues and challenges in policymaking and implementation presents practical matters concerning text selection use of literature in the language classroom innovative practices in literature education and raises pressing and important questions about the nature purpose and importance of literature education in global times

literature and language teaching is for teachers and trainers who want to incorporate literature into the language classroom the book can be used as a resource by trainers working with groups of teachers by teacher development groups or by teachers working on their own literature and language teaching contains tasks and activities which encourage reflection on some of the issues and debates involved in using literature in the language classroom explore different approaches to using literature with teenage and adult learners at all levels suggest criteria for selecting and evaluating materials for classroom use identify some of the distinctive features of novels short stories poems and plays so that these can be successfully exploited in the classroom provide a wide range of practical ideas and activities for developing materials which teachers can use with their own learners encourage the observation and assessment of lessons using literacy texts draw on literary texts in english by a variety of authors from all over the world each section of the book is designed to be self contained so that users of the book can select what is most relevant to their purpose a key to the tasks and activities is provided as well as guidelines for teacher trainers which suggest different ways of using the activities in the book as part of a training programme

linguistics and literature is the first book to offer an overview of how linguistic theory can be applied to the oral and written literatures of the world introducing basic concepts in linguistics as it proceeds the book begins with an account of the types of metrical verse and the phonological bases of metrics examples of metrical verse are illustrated from a selection of european african and asian traditions both familiar and unfamiliar there is also some discussion of the setting of song texts to music it then considers the exploitation of linguistic structure as found in many traditions from ancient semitic literatures to contemporary austronesian and mayan verbal arts narratology is presented from the perspective of linguistics with complete narratives in the original languages with translations from a variety of traditions the book concludes by looking at the linguistic aspects of the performance of literature and the ways in which literature exploits the communicative function of language in irony and metaphor the book is illustrated with examples from around a hundred different literary traditions quoting texts in the original languages fully translated and explained exercises are provided which enable readers to put theoretical issues discussed in the chapters to practical analysis of texts texts for discussion range from major works of english literature to previously unpublished oral texts from rarely discussed traditions

this collection of papers examines the relationship between the teaching of language and the teaching of literature to non native students the book attempts to identify key theoretical issues and principles as a basis for further discussion

sign the dse assam pgt exam pdf ebook covers all sections of the exam except current affairs

english language through literature is specifically composed keeping in mind the needs of the first and second semester students of english core who have scored 80 percent and above in english in class xii this student centric book has been designed to offer complete clarity on concepts and topics which are part of the syllabus the aim is to sharpen the reading writing speaking listening grammar and vocabulary building skills through various activities and exercises thereby building confidence of mastering the language with minimal textual emphasis and optimal use of practical exercises an effort has been made to make learning a pleasure for students in student friendly language the book caters to young readers looking for innovative and interactive material in english

the discipline of world literature has traditionally focused on written literatures particularly the novel with little emphasis placed on the unwritten verbal arts despite the significance of oral literary expressions around the world in the past as in the present this volume redresses this gap by putting the discipline of world literature into dialogue with scholarship on orature and folklore it asks what does world literature look like if we start from orature from oral texts and utterances and from the performances and audiences that support it featuring contributions from an international array of scholars oral literary worlds explores oral traditions from three multilingual regions the maghreb east africa and south asia essays discuss a variety of vernacular genres from swahili tumbuizo to na o folk songs shedding light on less studied forms of vernacular oral production collectively the contributions critique the characterisation of oral traditions as static and pre modern and underscore the contemporary relevance of orature to cultural and political discourse oral literary worlds offers a timely and accessible perspective on world literature through the lens of orature moving away from traditional hierarchies and dichotomies that have characterised previous scholarship it aims to open up new ways of thinking through local and transnational textual circulation literary power dynamics the interaction between textuality and audiences and aesthetic philosophies this volume will be an invaluable resource for scholars of world literature folklore and performance studies and will further interest teachers and students of popular culture literature of dissent and music

language through literature provides a definitive introduction to the english language through the medium of english literature through the use of illustrations from poetry prose and drama this book offers a lively guide to important concepts and techniques in english language study among the many topics covered in the book are the form and meaning of words the structure of narrative discourses and the organization of dialogue and conversation each chapter explores a specific aspect of the modern english language using a combination of exposition and practical activities each chapter also provides points for further discussion and includes project work for use individually or as part of a group readers will find the author s selection and presentation of topics helpful as paul simpson progressively widens the scope of topics from single words to the structure of whole conversations language through literature is designed for the non specialist who is new to the study of the english language and will be particularly relevant to anyone interested in

the in the relationship between the english language and english literature

a variety of imaginative techniques for integrating literature work with language learning

carter and pickett explore how educators and families can teach peace education through youth literature and literacy development showing how to assess choose and make use of literature that can be used to teach both literacy and peace education they walk through individual methods recognizing and teaching different portrayals of conflict in youth literature analyzing characterization and examining the role of illustrations educators who want to incorporate peace education within a broader literacy focused curriculum and peace educators looking for age appropriate materials and methodologies will find youth literature for peace education a rich and interdisciplinary resource

this volume argues for an innovative interdisciplinary approach to the analysis and translation of literary style based on a mutually supportive combination of traditional close reading and distant reading involving corpus linguistic analysis and text visualisation the book contextualizes this approach within the broader story of the development of computer assisted translation including machine translation and the use of cat tools and elucidates the ways in which the approach can lead to better informed translations than those based on close reading alone this study represents the first systematic attempt to use corpus linguistics and text visualisation in the process of translating individual literary texts as opposed to comparing and analysing already published originals and their translations using the case study of his translation into english of uruguayan author mario benedetti s 1965 novel *gracias por el fuego* youdale showcases how a close and distant reading approach cdr enhances the translator s ability to detect and measure a variety of stylistic features ranging from sentence length and structure to lexical richness and repetition both in the source text and in their own draft translation thus assisting them with the task of revision the book reflects on the benefits and limitations of a cdr approach its scalability and broader applicability in translation studies and related disciplines making this key reading for translators postgraduate students and scholars in the fields of literary translation corpus linguistics corpus stylistics and narratology
